

Are you
saying you
want to go
at it...?

This guy...
he won't at all
be affected by
my punch, if

Stop
it...!

D... don't
do that...
This guy is
my friend!

If I don't
stop him,
Jeeah will
get hurt...!

Oku Nodoki...
Who is that
guy really...?

W... we're
just friends...
Derech!!

Then
why did
you run...?

Up till now
Soda's always been
confident
and upbeat but to
that guy it's different--if
they are definitely
not just friends...

Right...
just now he looked
like a shy little
girl...

What...?

Should be safe
from Soda and
Shiro at
this distance...

Let go
already...!

C...could it
be...that
maybe Soda's
his delicate
in guys...?

It was
just a
comparison...

We're
friends...!

What friends--!
I just said that
before to
get away...!

What kind
of play
is this
exactly?

O...
don't go

Then let's do
something
else
together--

Then
what-!!

Then, why
something-!!
What are you trying to
do making a person sit
and just staring at
them-!!

I was just
enjoying
looking at
you and...

I told you
that I'm not
your brother
or your
girlfriend-!!

Tell me
what you want,
my friend-!!

You're
hungry...

It's good
to know that
you had a nice
meal.

Your mind...
Can you
lead him to
me a bit
longer...?

Huh...?

...

H...
what...?

It's nothing...
Mom's going to
work soon so
I need someone
to wait me
dinner...

Right-
that guy is going
to make me work
for his town!

Oh my-
that's a good idea,
and while you're at
it you can clean
the hallways too!

Even
cleaning-?

My lips
My lips

Oh my-
what are you
doing right
now? Are
you getting
mad at him?

Haha...
I think it's a good
thing I brought
Ido along- Isn't
that right Ido-?

Isn't
Mimi
beautiful
...?

W...
what...??

That...
why...?

W...
I've asked you
something obvious...
you probably
already knew her
as a maid...

If it wasn't for
your parents, you'd want
to get out of that
situation as soon
as possible...

Now... you've
got nothing to do
with it...

What's his
purpose
for asking
this to
me...??

I might have
something to do
with it from
now on...
What if I'll get
you free from
this...?

.....??

H...how...??
What could
you do...??

But if you reflect me, you might regret it later...

What...?

Would it be alright if I told Miss everything that you said on that hotel rooftop that day...?

O... doesn't matter...

But... how you're fantasizing me...?

Well... I wonder what you said that day...

"Don't think I'll do and torture you as a ghost...! I'll curse you!"

"I wish... If I'm going to die, I should beat up that Miss real good before dying...! no... then dad'll really get it so I can't..."

"Right...! I'll curse him...! Make a Miss wooden doll and stick it with needles again and again...! First I've got to find a shadow..."

And then you said "God, spirits, goddammer! Please give a thousand punishments to Miss who tortures me...!"

I'll do it-
I'll do it-
I'll be your maid
or whatever-!!

Alright...
you're now my
maid...!!

Oh-
My
God-!!

Heh-
...to think that I have to
study during my
lunch period...

After I've become
Jung Shinn's
maid...

Heh, our school's elite students are so proudful to doing something like this isn't hard!

Anyways you're even wanting to stop!
Even with all the work as the student body president, your grades are always in let place!

Gang here that guy...he's tall and extremely good looking but...let doesn't talk to anyone in the class and doesn't even seem like he's paying attention...

Oh...? That guy... He came today... today too probably...

That guy...?!

Why don't you and I? It's a late student...?

Late and cutting us off as he said, something's strange about him not being kicked out

Gang here...?!

Um...
perhaps, and there
were things you know
about him...?

Well...
we're in the same
class but he doesn't
talk to anyone
and I don't know much
about Gang Nara...

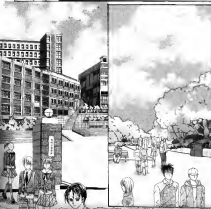

And the fact goes
to an elite school like
ours, and doesn't
get any sorts of
punishments. Interesting...

Even the teachers
don't look into too much
about him.
Wonder why that
is...

An abstract geometric design featuring a complex arrangement of overlapping squares and rectangles. The shapes are outlined in black and some are filled with a light gray color. The composition is centered around the text "END OF VOLUME 4".

END OF
